

‘Trial in 2020 riots case still not neld’: Bhushan, Yogendra Yadav join protest

DRISHY JAIN
NEW DELHI, SEPTEMBER 19

DEMANDING BAIL FOR Umar Khalid and other jailed accused in the 2020 Delhi riots case, Supreme Court advocate Prashant Bhushan, political activist Yogendra Yadav, student leaders and the families of the accused held a protest at Jantar Mantar on Friday.

The Supreme Court on Friday adjourned the hearing of the bail pleas filed by Umar Khalid and others. The matter was listed before a bench of Justices Arvind Kumar and N V Anjaria on September 12 but the court pointed out that the supplementary trial by which the case was listed reached its very late, at 3:30 am, indicating that it did not have enough time to go through the files.

Earlier this month, the Delhi High Court had denied bail to the 10 accused who have been booked under relevant provisions of the stringent Unlawful Activities (Prevention) Act and the Indian Penal Code.

Bail the rule while jail is the exception, Bhushan asserted at

Jantar Mantar, calling the delay in the grant of the bail to the accused ‘unfortunate’.

‘I am most hurt by seeing the attitude of the judiciary. Their work is to protect our fundamental rights, democracy and the Constitution. But in the Delhi riots case... the trial has not started even in five years. The Delhi High Court took more than a year for bail hearings,’ Bhushan said.

Yogendra Yadav said, ‘When the trial was against Mahatma Gandhi, it was not only against him but against the British atrocities inflicted on Indians. This ongoing trial is not just on these 10 people but against India’s criminal justice system.’

The protesters demonstrated along with the posters of the accused — Tahir Hussain, Athar Khan, Meeran Haider, Umar Khalid, Gulshafa Fatima, and Khalid Saifi, among others.

Shamsad Ahmad, accused Shadab Ahmed’s father, said, ‘We ask the judiciary to tell us what is the fault of our children?’

Meanwhile, Umar Khalid’s father Syed Qasim Rasool Ilyas said that he and even those behind bars have not lost hope.

‘They are still not disheartened. The courage hasn’t faded... the spirit hasn’t weakened,’ he said.

Gurgaon: 2 college students held for rape of teen girl

EXPRESS NEWS SERVICE
GURGAON, SEPTEMBER 19

GURGAON POLICE on Thursday arrested two college students for allegedly raping a teenage girl. Both of them live in Gurgaon, and were nabbed by a police team. According to a complaint filed by the victim’s father on Tuesday, his minor daughter was abducted on Monday while returning to her tuition classes around 4.30 pm.

The complaint alleged that the two accused took her in a car and raped her.

A case was registered under relevant sections of the

Bharatiya Nyaya Sanhita (BNS) and the POCSO Act.

Sub-Inspector Kiran, the investigating officer, acted swiftly and arrested the accused on September 18.

‘Initial police questioning revealed that both had befriended the victim on Instagram about two-and-a-half months ago. On September 15, the accused allegedly lured the victim into a vehicle and took her to a hilly area where they committed the crime,’ a police spokesperson said.

The police are continuing their investigation and questioning the accused to gather further details, officials said.

Two children get hit by train, die

New Delhi: On way back home from school, two girls, aged 7 and 8, were run over by a train at the Nanang railway station in Northeast Delhi on Friday afternoon, police said.

‘At about 1 pm, a train struck two female children near Nanang railway station at Suba Nagar, on the Bahadurgarh side,’ an officer said.

Police said the incident happened when Sahiba Parveen (8) and Kaunak Khatun (7) were heading from school towards their home in Prem Nagar.

‘When they were trying to cross the tracks, a train hit them. The operator was unable to halt the train in time. They died on the spot,’ the officer said. **ENS**

GAYATHRI MANI
NEW DELHI, SEPTEMBER 19

EVEN A 30-year solution for urban flooding in the Capital, Urban Minister of Housing and Urban Affairs Manohar Lal on Friday unveiled the BJP government’s ambitious ‘Delhi Drainage Master Plan 2025’ with Chief Minister Rekha Gupta and Public Works Department Minister Parvash Sahib Singh by his side. Expected to cost around Rs 57,362.85 crore, the plan aims to reduce waterlogging and flood-related incidents in Delhi by 50% in five years by revamping the city’s decades-old drainage network.

It will be implemented in two phases to address present challenges and future demands (see box). ‘For implementation, the city has been divided into three major basins — Najafgarh, Barapullah, and Trans-Yamuna. Once the detailed project report (DPR) is approved by the government, PWD will invite tenders from private firms to begin on-ground execution and turn this plan into a long-term solution for Delhi’s drainage needs,’ said the government in a statement.

Factors like slopes, depressions, and inadequate infrastructure to improve drainage efficiency have been reviewed for the project, said officials.

The changes will be implemented with a key focus on critical flood control, expansion and integration across the complete drainage network of 18,958 kilometers, which currently falls under eight different agencies, in the city.

According to the master plan, in the first two years, waterlogging hotspots — under different agencies — will be taken care of. From

the third year onwards, the work to set up large-scale infrastructure in colonies where there is no drainage network will start. By the completion of five years (2029-2030), final testing and system handover would be completed.

Addressing the event, Manohar Lal said that the Centre has always helped Delhi and it will ‘continue to help the state government with funding to implement the drainage master plan.’

‘The new drainage master plan for Delhi is a testament to our commitment to addressing these critical issues. Prepared after years of meticulous consultation, data collection, and study, this comprehensive plan will provide a roadmap for Delhi’s drainage needs, ensuring relief from waterlogging and safeguarding the city from “drainage-related challenges,” he said.

Speaking at the event, CM Gupta urged the Centre and Khattar to help the state government in funding this project.

‘I urge my brother, Khattar ji, to help us in funding the project... he will do it. I know I am his sister,’ she said.

The CM also attacked the previous AAP government and challenged former CM Arvind Kejriwal for a public discussion. ‘He has been in CM for 11 years. I have been a CM for just six months. I am ready to discuss every nook and corner of Delhi,’ said Gupta.

Meanwhile, the PWD minister said, ‘This is not just a drainage master plan, it is a guarantee card of “no waterlogging in the city.” Singh also announced that the Delhi government will soon come up with a Sewer Master Plan, which will be a long-term solution for the city’s water management system for the city.

Manohar Lal on suspended Indus treaty: Delhi, Haryana to get water that is saved

EXPRESS NEWS SERVICE
NEW DELHI, SEPTEMBER 19

UNION MINISTER Manohar Lal announced on Friday that the water saved due to the suspension of the Indus Waters Treaty with Pakistan will be made available to Delhi, Haryana, and Rajasthan within the next one to one-and-a-half years.

Speaking after unveiling the Delhi Drainage Master Plan 2025, Manohar Lal said, ‘Jis ka le hain na, apna mein bhi over hain’ (Sometimes disasters can prove to be blessings in disguise)... Sometimes, even in disaster, opportunity arises.’ He added that following the Pahalgam terrorist attack, the Indus Waters Treaty with Pakistan was ‘suspended’.

‘The large quantity of water that was discharged towards Pakistan will now be brought and supplied to Delhi, Haryana and Rajasthan in the coming one or one-and-a-half years.’

The treaty, which had survived four wars, decades of cross-border terrorism by Pakistan, and a long history of antagonism between the two countries, was suspended for the first time by India in April after the Pahalgam terror attack, which resulted in the deaths of 26 people, mostly tourists. The treaty, in effect since 1960, governed the distribution and use of the Indus river and its tributaries between India and Pakistan.
